Direct trains:

- 2 hours from Schiphol, every 30 minutes
- 4.5 hours from Berlin
- 2.5 hours from Düsseldorf
- 1 hour from Münster
Enschede (remember Grolsch)
UNIVERSITY OF TWENTE
HIGH TECH HUMAN TOUCH

- Founded 1961, current rector magnificus: Ed Brinksma
- 8000 students, 1500 scientists, 600 spin-offs

- Research Institutes / Faculties:
  - Life sciences (biotechnology, technical medicine)
  - Nano technology (nano-electronics/materials)
  - ICT (electrical engineering and computer science)
  - Behavioural science
  - Management and Government
  - Philosophy (ethics of technology)
CTIT
CENTER FOR TELEMATICS AND INFORMATION TECHNOLOGY

- Wireless sensor networks, smart systems
- Human machine interaction, creative technology
- Dependable and Secure Computing
  - Formal Methods

- Strong ties with mathematics:
  - Operations research, graph theory
  - Stochastic OR, optimization
  - Hybrid systems, control theory
FORMAL METHODS AND TOOLS

- Jaco van de Pol (chair of FMT)
  - Multi-core model checking (LTSmin)
  - Railway Interlockings, Biological networks

- Marieke Huisman
  - Verification of concurrent Java programs
  - Using permission-based separation logic
  - VerCors tool (ERC starting grant)
  - National ICT Research prize 2013

- Arend Rensink, Mariëlle Stoelinga, Rom Langerak, Joost-Pieter Katoen
CAMPUS UNIVERSITY: WORK – LIVE – SPORT – CULTURE
